| 6 | Any major defects noticed which will render the building unsafe in any manner | No                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| 7 | Whether maintenance works have been: done properly                            | No                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                     |
| 8 | Whether the structure is sound or not for                                     | The structure appears generally sound for conducting classes based on visual inspection at the time of inspection.                                                                                                                                                                                                                                                                                                                                                                                                                                     |

NOTE: 1. Stability of the structure should be examined also with reference to location, altitude, intensity of wind, exposure to floor etc

2. Any additional observation if deemed necessary for the certificate may be furnished separately with the certificate

Certified that the School was inspected by me on 29/05/2026 and found to be fit to conduct classes for the period 2026-27 for the reasons stated above.
